**1 General Information**

School Code							
School Type		<input type="checkbox"/>	Public	<input type="checkbox"/>	Private	<input type="checkbox"/>	Informal
School Name							
Education Level							
<input type="checkbox"/>	Level 1	<input type="checkbox"/>	Level 2	<input type="checkbox"/>	Level 3		
<input type="checkbox"/>	Level 4	<input type="checkbox"/>	Level 5	<input type="checkbox"/>	Level 6		
<input type="checkbox"/>	Level 7	<input type="checkbox"/>	Level 8				
Shifts		<input type="checkbox"/>	Original School Capacity			<input type="checkbox"/>	
Typical classroom length (m)		<input type="checkbox"/>	Typical classroom width (m)			<input type="checkbox"/>	
Average number of students per classroom		<input type="checkbox"/>	Total Number of Students			<input type="checkbox"/>	
Estimate the number of female students in total		<input type="checkbox"/>	Estimate the number of male students in total			<input type="checkbox"/>	
Estimate the number of students with special needs in total		<input type="checkbox"/>	Estimate the number of female teachers			<input type="checkbox"/>	
Estimate the number of male teachers		<input type="checkbox"/>					
Administrative level 1							
<input type="checkbox"/>	Department	<input type="checkbox"/>	Municipality	<input type="checkbox"/>	Region		
<input type="checkbox"/>	Province	<input type="checkbox"/>	District				
<input type="checkbox"/>	Administrative level 1 specify name						
Administrative level 2							
<input type="checkbox"/>	Department	<input type="checkbox"/>	Municipality	<input type="checkbox"/>	Region		
<input type="checkbox"/>	Province	<input type="checkbox"/>	District				
<input type="checkbox"/>	Administrative level 2 specify name						
Zone							
<input type="checkbox"/>	<input type="checkbox"/>	Rural	<input type="checkbox"/>	Urban			

**ENERGY EFFICIENCY PER SCHOOL**

Are energy passport/certificate/documents		Yes		No
Take good resolution photos of the energy passport/certificate/documents				
Are energy bills up to last 3 years available?		Yes		No
Take good resolution photos of the energy bills				
How is power supplied in the school?				
	Centralized		District	
	Other specify			
What is the source of power supply?				
	Electricity		Coal	
	Solar		None	
	Other specify			
How often is the power source functional per week?		5-7 days		2-4 days
				Less than 2 days
Are there any back-up sources of power?		Yes		No
What are the back-up sources of power?		Generator		Solar PV
		Other specify		
Where is the wall insulation?		Inside walls		Outside of walls
				None

Type of lighting fixtures/bulbs				
	Incandescent		Fluorescent	
	LED		None	
	Other specify			
Is the classroom lighting mainly provided by natural light or artificial		Mostly natural		Mostly artificial
				About equal
School daily operation time in hours (approximate)				

**WATER, SANITATION AND HYGIENE**

Water supply					
	Centralized water supply		Trucked water supply		Well or spring
	Rain water		None		
	Other specify				
Is water supplied within the school building?			Yes		No
Are there any water storage tanks?			Yes		No
Minimum 1 photo of the water storage tank					
Are hand wash sinks available?			Yes		No
Are there any hand wash sinks near toilet facilities?			Yes		No
Are there any hand wash sinks near canteen?			Yes		No
					Not available
Minimum 1 photo of the hand wash sink					
Is centralized sewerage available?			Yes		No
Is indoor sewerage plumbing available?			Yes		No
Toilet			Indoor flush toilets		Outdoor pit latrines
			Other specify		

Total number of flush toilet units available to students		Number of flush toilet units available to female students	
Number of flush toilet units available to male students		Total number of flush toilet units available to teachers/staff	
Total number of flush toilet units for communal use if any		Minimum 1 photo of the flush toilets	
Total number of pit latrine units available to students		Number of pit latrine units available to female students	
Number of pit latrine units available to male students		Total number of pit latrine units available to teachers/staff	
Total number of pit latrine units for communal use if any		Minimum 1 photo of the pit latrines	
Total number of the other type of toilet units available to students		Number of the other type of toilet units available to female students	

Number of the other type of toilet units available to male students		Total number of the other type of toilet units available to teachers/staff	
Total number of the other type of toilet units for communal use if any		Minimum 1 photo of the other type of toilets	
What type of sewage disposal is used?			
Centralized piped system		Septic tank	
None		Other specify	
Cleanliness and functionality of handwashing and toilet facilities		Good	
		Adequate	
		Poor	
How often is the water source functional?		5-7 days	
		2-4 days	
		Less than 2 days	
Is the water supply sufficient for basic school needs when it is		Yes	
		No	
Is hot water supplied within the school building?		Yes	
		No	
How is drinking water supplied to children?			
Treated water		Untreated water	
Students bring		Bottled	
		Other specify	
Are water, handwash and toilet facilities accessible for those with disabilities?			
Yes		No	
		Some	

---

**ENVIRONMENTAL SOCIAL SAFEGUARDS**

---

Past events that have impacted the school			
Earthquake		Flood	
Landslide		Hurricane/Typhoon	
Fire		Volcano	
		Security incident/terrorism/crime	
		Tsunami	
		None	
School location characteristics			
Densely populated area		Cultural heritage site	
Roads with substantial traffic		Protected area	
None		Directly adjacent to residential buildings	
		Directly adjacent to business buildings	
		Other specify	

Are there any places in the school where female students feel unsafe or where there have been security incidents involving female students?				
	Toilet facilities		Outdoor areas	Stairwells
	Corridors		Locker rooms	None
	Other specify			
Are there any areas that are inaccessible to students with physical disabilities?				
	Ground floor classrooms		Upper level classrooms	Specialized classrooms/library/etc
	Toilets		Canteen	Gym
	Auditorium		None	
	Other specify			
Do members of the community use the school facilities for any purpose listed below when school is not in session?				
	Canteen		Indoor gymnasium	Covered/shaded sports and recreation area
	Outdoor, uncovered sports field		Outdoor, uncovered school yard (asphalt)	Playground
	Computer lab		Science lab	Library
	Theater/Auditorium		Health clinic	Parking
	None		Other specify	

How do most children come to school?				
	Walking		Biking	School bus
	Public transportation		Private car	
	Other specify			
How is access to the school controlled in terms of security?				
	Perimeter wall		Locked gate	Security guard at gate
	Security guard at school entrance		None	
	Other specify			
Would it be possible to reallocate students within the school if eventual interventions go block by block?			Yes	No
Is there space on campus available for temporary classrooms?			Yes	No

Is there any other school or space available nearby to host the school		Yes		No		
Is the alternative school or space owned by the government?		Yes		No		Don't know
Has the school planned any expansions (e.g. build a new school building/classrooms)?		Yes		No		
Does the planned expansion require additional land?		Yes		No		Don't know

---

**OPERATIONS AND MAINTENANCE**

---

Are any capital repair, improvement or expansions as listed below planned?					
	Expansion (new independent building)		Expansion (horizontal)		Expansion (vertical)
	Roof replacement or repair		Exterior renovation		Interior renovation
	Utilities repairs/replacements		None		None
	Other specify				

Who is responsible for the maintenance and repair of the school facilities and systems?					
	School staff		District-level entity		Parents or community association
	Other specify				
Who is responsible for the cleanliness and upkeep of the school buildings and toilet facilities?					
	School staff		District-level entity		Parents or community association
	Other specify				
Is there a fire alarm system?		Yes		No	
Does the school have an emergency preparedness plan or conduct		Yes		No	
The type of events covered by the emergency preparedness plan/s or emergency drills		Fire		Earthquake	
		Other specify			
What are the primary sources of recurring operations and maintenance costs?					
	Fuel/energy/electricity costs		Roof and exteriors upkeep and repair		Site/grounds upkeep and repair

	Interiors/furniture repair, upkeep, maintenance		Water and sanitation-related costs		None		
	Other specify						
Rate the overall condition of building exterior (e.g. mold, peeling			Good		Moderate		Poor
Do any of the roofs leak?			Frequently		Occasionally		
			Rarely		Never		
Are there site drainage or regular flooding issues?			Frequently		Occasionally		
			Rarely		Never		
Does the school have a Parent Teachers Association or other formal link with parents?			Yes		No		
What is the role of the Parent Teachers Association?							
	Fundraising		Decision-making/leadership		Volunteers for operations and/or maintenance		
	Teaching assistance		Other specify				

---

### LEARNING AND INDOOR ENVIRONMENT

---

Rate the general quality of the temperature of the classrooms during winter			Too hot		Too cold		About right
Rate the general quality of the temperature of the classrooms during summer			Too hot		Too cold		About right
Rate the general quality of the lighting of the classrooms			Too bright		Too dark		About right
Rate the general quality of the acoustics of the classrooms/school			Good		Adequate		Poor
What is the typical classroom configuration for the basic education in the school?							
	Traditional presentation		Small groups		Individual		
	Team teaching		Not available				
	Other specify						
What is the typical classroom configuration for the secondary education in the school?							
	Traditional presentation		Small groups		Individual		
	Team teaching		Not available				

	Other specify						
Select all the programmatic features the school has available							
	Canteen		Indoor gymnasium		Covered/shaded sports and recreation area		
	Outdoor, uncovered sports field		Outdoor, uncovered school yard (asphalt)		Green/planted spaces and trees (non-sports field)		
	Playground equipment		Computer lab		Science lab		
	Library		Theater/Auditorium		Staff lounge area		
	Health clinic		Parking				
	Other specify						
Are there fans or other means of mechanical ventilation in the classrooms?			Yes		No		Some classrooms
Is there natural ventilation (operable windows, louvers, etc) in the classrooms?			Yes		No		Some classrooms
Is there air conditioning in the classrooms?			Yes		No		Some classrooms
Is there functional artificial lighting (e.g. ceiling lights) in the classrooms?			Yes		No		Some classrooms
Is there natural light in the classrooms?			Yes		No		Some classrooms
Rate the general condition of the classroom interiors and furniture			Good		Adequate		Poor
Rate the general level of visual stimulation of the classrooms for the basic education in the school			Too plain		Too busy		
			In-between		Not available		
Rate the general level of visual stimulation of the classrooms for the secondary education in the school			Too plain		Too busy		
			In-between		Not available		
Do classrooms display personalization/student ownership (e.g. displays, personal storage spaces, artwork on walls, etc) for the basic education in the school?							
	Yes		No		Not available		
Do classrooms display personalization/student ownership (e.g. displays, personal storage spaces, artwork on walls, etc) for the secondary education in the school?							

	Yes		No		Not available
Are there computers, TV monitors or other types of IT equipment in the classrooms for the basic education in the school?					
	Yes		No		Not available
Are there computers, TV monitors or other types of IT equipment in the classrooms for the secondary education in the school?					
	Yes		No		Not available

Besides classrooms, are any other spaces in the school (interior or exterior) used by students for classwork or group educational activities?					
	Canteen		Outdoor courtyard or school yard		Library
	Theater / Auditorium		Student lounge		Hallways / Informal gathering areas
	Other specify				
Does the school use or share other neighboring or community facilities regularly?					
	Park or sports field		Recreational facility (pool, indoor gym, etc.)		Public library
	Community center / arts facility / makerspace		Other specify
